

Job Description

Job Title: Asset Protection Agent – Unarmed (**On-Call**)
Department: Protective Services
Reports to: **Case Manager – Protective Services**
FLSA Status: Non-Exempt
Prepared By: Operations Manager

Summary

Carries out instructions primarily oriented toward insuring that emergencies and security violations are readily discovered and reported to appropriate authority. Intervenes directly only in situations which require minimal action to safeguard property or persons.

Protects industrial or commercial property against fire, theft, vandalism, and illegal entry, performing any combination of following (but not limited to) duties: Patrols, periodically, buildings and grounds of industrial plant or commercial establishment, docks, or work site. Examines doors, windows, fences, and gates to determine that they are secure. Warns violators of rule infractions, such as loitering, smoking, or carrying forbidden articles, and apprehends or expels miscreants. Inspects equipment and machinery to ascertain if tampering has occurred. Watches for and reports irregularities, such as fire hazards, leaking water pipes and security doors left unlocked. Observes departing personnel to guard against theft of company property. Sounds alarm or calls police or fire department by telephone in case of fire or presence of unauthorized persons. Permits authorized persons to enter property. May register at watch stations to record time of inspection trips. May record data, such as property damage, unusual occurrences, and malfunctioning of machinery or equipment, for use of supervisory staff. May regulate vehicle and pedestrian traffic at plant entrance to maintain orderly flow. May verify entrance/egress authorization for shipments and visitors, including confirmation of seal numbers, data base entries, paperwork checks, and badging.
